

FRENCH IN COUNTER ATTACK HURL ENEMY BACK ACROSS MATZ

CONDITIONS ARE VERY SERIOUS IN AUSTRIA-HUNGARY

Correspondent Vienna Newspaper Reveals Wide-spread Discontent

FLOUR \$1.40 POUND; BUTTER \$4 A POUND

Pan-Germans In Control; Revolutionary Upheaval May Be Expected

(Advices from Austria, received by the Register through Rome yesterday, stated practically all of the dual monarchy has been declared in a state of siege, only a few regions being exempted. The reported conditions which have led up to this significant situation is set forth in the words of an Austrian newspaperman in the following dispatch received today—Ed.):

BY JOSEPH SHAPLEN (United Press Staff Correspondent) STOCKHOLM, June 13.—The growing seriousness of the food and political situation in Austria-Hungary was revealed to me today by an Austrian newspaperman, a staff correspondent of the Vienna Arbeiter Zeitung.

"The situation in Austria-Hungary is again very serious," he said. "The food situation is always worse than it is in Germany. The Austrian government, under pressure of the January strikes, gave the workmen many food promises. None of these were fulfilled. They were given in expectation of food from Ukraine, which in view of the increasing revolts against the central empires and Skoropadsky is no more than problematical. Germany is relying so little on this that she has reduced the daily bread ration from 200 to 160 grams (half an ounce). The price of flour in Austria is now 14 francs a kilogram (about \$1.40 a pound). Butter is 40 francs a kilogram, (about \$4 a pound). Vienna's population is not getting even 35 per cent of its normal rations. The mayor asked the government to act immediately to prevent a serious situation. The political situation is likewise serious as a result of Emperor Karl's letters. The meeting of the reichsrath (congress) has been postponed indefinitely. The movement of the Serbians, Croats and Slovaks for secession from Austria and unification in a single Serb nation is growing rapidly.

"Recently there was a severe battle between the Germans and the Slovaks in Vindisch-Gratz. There are the most serious disturbances at Leibach. The Bohemians are demanding complete independence. The Austrian socialists are talking in strong language, but there is no hope of peace. Germany refuses to listen to a democratic peace.

"The reichsrath is strangled with fear because of the demands of the people for strong action against war profiteers, the agrarians (land holders) and the capitalists and a fair division of the coming harvest. But above all the reichsrath fears its own debates of war, peace and political events and the connection between the letter to Prince Sixtus, with the retirement of Foreign Minister Czernin.

"It is only with the shadows of reform that the government seeks to conciliate the starving and suffering population of Bohemia. Simultaneously, however, new repressive measures have been introduced in the southern Slav provinces as a concession to the German nationalists. The latter are carrying out the instructions of the pan-Germans, who demand continuation of the war.

"Austria is again in the clutches of Germany, due in no small measure to the traitorous attitude of the followers of Philipp Scheidemann (leader of the German majority socialists), who refuse to support the revolutionary movement in Austria.

"Likewise the demagogic recklessness of the Bolsheviks, who concluded a separate peace at the moment of the greatest upheaval in Austria, German imperialism and surrendered the democratic elements into the hands of the military camorra.

"The situation is not bright but the desperation of the population is so great that the most serious consequences can be expected."

U. S. Ship Eludes Two Torpedoes, 12 Shells, of U-Boat

Edward Pierce In Port After Chase; Munitions Ship Sunk By Spies

NORFOLK, Va., June 13.—Captain Wade of the American steamship Edward Pierce, reported today that his vessel was under shell fire for two hours and was chased by a submarine until the lights of Cape Henry were sighted early Tuesday. He said that at least twelve shells were fired and two torpedoes launched at his ship as she outdistanced the U-boat.

PORTLAND, Ore., June 13.—The American munitions ship Florence H., which was destroyed by an explosion in a French harbor, with the loss of many lives was the victim of a German spy, according to letters received here today.

Mrs. John W. Cudahy, mother of Howard L. Cudahy, a seaman, who died in the explosion that destroyed the Florence H., received two letters from seamen friends of her son on the ship. Both letters declared a German spy shipped with them at an American port.

BULLETINS

WILL ASK 200 MILLION FOR POWER LINES

WASHINGTON, June 13.—Appropriations of \$200,000,000 to increase power lines in overloaded industrial centers will be asked of congress by President Wilson, at the request of the war industries board. This follows orders for war materials from General Pershing of almost overwhelming magnitude.

VILLA AGAIN BREAKS OUT, KILLS TROOPS, KIDNAPS WOMEN

EL PASO, June 13.—Fifty Carranza soldiers were killed by bandits led by Francisco Villa, who held up and robbed a train near Santiago Papasquero, Durango, according to reports received today. The bandits are said to have carried eleven women passengers off to the mountains.

DISCUSS TRAINING U. S. IRISH IN IRELAND

DUBLIN, June 13.—Chief Secretary Shortt, Sir William Byrnes and Sir Horace Plunkett, at a conference today, discussed the training of Irish-American troops in Ireland as part of the recruiting program.

FLAG DAY TOMORROW GENERAL OBSERVANCE URGED BY GOVERNOR

SACRAMENTO, June 13.—Asking that a general observance of June 14 as Flag Day and asking that assemblies be held in all communities at which the Star Spangled Banner shall be sung and a new oath of allegiance be taken by all participants, Governor William D. Stephens has issued the following proclamation:

"Ever since the day Betsy Ross stitched together the Stars and Stripes, our flag has stood for the freedom of mankind. Not once has it been borne into battle for a cause other than the establishment and protection of human liberties. Until the beginning of this war, we have fought only for our own freedom or that of peoples dependent upon us might not be swept aside.

"Today, however, the forces of the United States fight on foreign soil as an ally of foreign nations for the freedom of the world and at their head flies the Stars and Stripes twined with the Union Jack, the Tri-Color and the flags of our other noble allies.

"Under such circumstances, the celebration of Flag Day, June 14, should enlist the enthusiastic interest and support of us all. I urge that on that day assemblies be held in all communities; that the Star Spangled Banner be sung and the pledge of allegiance to our flag renewed.

(Signed) "WILLIAM D. STEPHENS."

"PRAYER DRIVE" FOR VICTORY

ONTARIO, Cal., June 13.—There's another way to help the war and swat the Kaiser. Ontario is conducting a prayer drive for victory. The fire bell rings at noon each day, to remind all the people of the town to stop whatever work they may be doing, and with bowed heads to pray for victory and for the safe return of the boys they have sent overseas. This municipal angelus was instituted by proclamation of the mayor, at the request of the town council.

AMERICA PLANS SENDING MEN TO AID THE RUSSIANS

Million In France By July 4; Then Troops Will Help Loyal Slavs

By CARL D. GROOT (United Press Staff Correspondent) WASHINGTON, June 13.—The American government is striving hard to make some arrangement whereby aid, even troops, may be sent to Russia under Russian-American leadership.

Russia will not approve any expedition under Japanese leadership. The facts reached the United Press today from a reliable source. The government plans to be able to announce July 4 that a million men have left American ports for Europe. Thereafter it will have to cut down on the pace set in the May and June record so that supplies can be forwarded.

This will give the opportunity of aiding Russia with other troops. Many difficulties stand in the path. It is admitted, but the government leaders are doing their utmost to reach a solution.

The United Press is able to state that the tentative proposal which has received greatest support here shapes up thus:

The empty troop ships would be used to convey some American troops to Russia. They need not constitute a vast force. Loyal Russians, available allied troops and Japanese and Chinese troops would compose the remainder of this great international expedition. Its purpose would be rescue work. There would be a guarantee against territorial aggrandizement.

The fact that troop shipments to France will slump after the first of July explains apparently Secretary Baker's recent reticence about newspaper predictions concerning the fall and winter troop figures. He warned that events might make it impossible to live up to the newspaper figures. Now it is found the supply question must be given attention.

As soon as supplies are replenished heavy troops shipments will be resumed.

WILL PROPOSE NEW DRAFT AGES, 18-45

WASHINGTON, June 13.—That the war department will ask changes in the draft law so as to include all men between the ages of 18 and 45 or 49 years, was the forecast of well informed congressional leaders today.

The new legislation which would place the draft on the same basis as that of Great Britain, is expected to be launched in the December "short session."

The reasons include the possible depletion of Class I this year and the necessity for going into deferred classifications unless draft limits are broadened. It is also held that ratification of the draft treaty with Great Britain and Canada would impose a moral obligation to raise the draft age.

Under an agreement among all the allies, it is understood, the military ages in all allied countries are to be made uniform.

Under the proposed plan it is understood that not all men thus rendered liable for service will be put into the army. Military service, it was stated, would not go beyond 35 or under 21, but the listing of the men would provide a reservoir of young men for training and older men for performing other necessary services for the army.

LIEUT. KELLY IS NOT ON WAY TO FRANCE

Lieutenant Fred Kelly of the U. S. Aviation Corps, will not be sent abroad at once, as recently expected when he was transferred from Texas to New York city. He has now been sent to Taylor field, Montgomery, Alabama. While in New York he met a former classmate just returning from the trenches, and looking "fat and sassy," as Lieut. Kelly expressed it. On his way south he stopped in Washington, D. C., to visit Captain Warren Boyard, formerly graduate manager at U. S. C.

Today Anniversary Of Arrival First U. S. Men in France

President Poincare Expresses Admiration of "Magnificent American Effort"

PARIS, June 13.—On the anniversary of the arrival of American troops in France President Poincare today dispatched a message to President Wilson expressing his admiration at the "magnificent American effort" and extending his congratulations.

"The troops of the allies are living in the most difficult hours of the war," the message said. "The rapid formation of new American units is sure to turn the balance. Then the allies will take decisive revenge and found the peace principles you have laid down, making certain the reign of right and liberty among nations."

Poincare also wired General Pershing congratulating him on the admirable fighting qualities displayed by the American troops and wishing him continued success.

A. F. OF L. MAY ASK NEW TRIAL FOR MOONEY; FREE BOHEMIA

Will Seek Union of Women Workers, Stenographers and Bookkeepers First

ST. PAUL, June 13.—Resolutions were adopted by the American Federation of Labor today asking the United States government to take over the Western Union and Postal Telegraph companies to avert a strike of operators.

NEW YORK, June 13.—Clarence H. Mackay, head of the Postal Telegraph company, has wired President Wilson that his company waives the right to discharge any of its men because they belong to the union, it was learned today.

ST. PAUL, Minn., June 13.—Resolutions requesting new trial for Thomas J. Mooney, convicted of murder in connection with a bomb explosion during a preparedness parade in San Francisco, were brought before the American Federation of Labor convention here today.

Other resolutions introduced today considered aid in establishing an independent Bohemia and endorsed a proposed trip to Italy by President Samuel Gompers to explain America's war aims to workers there.

Recognizing the increased demand for women workers the federation expected late today to discuss plans for unionizing them. A union of woman stenographers and bookkeepers probably will be the first step in this direction.

Addressing St. Paul business men last night, Gompers told them business has an equal right with labor to organize.

MOTHER AND CHILDREN INJURED IN ACCIDENT IN L. A. LAST EVENING

Mrs. W. N. Shields and two children, William N., Jr., aged 4 months, and Jewel, aged 9, were injured last night in Los Angeles when their automobile driven by W. N. Shields collided with a car driven by L. A. Wisler of Los Angeles. The Shields formerly lived in Santa Ana, on East Third and on Ross streets, but for the past three years have lived in Los Angeles. W. N. Shields is a brother of J. W. Shields of 515 Garvey street, and while here was engaged first in painting and later in the real estate business.

The baby, Los Angeles reports state, was injured most seriously. The infant was thrown to the pavement by the shock of the crash, and is in a dangerous condition from severe cuts and bruises, a broken jaw, and fracture of the right leg. Mrs. Shields and daughter Jewel were severely cut and bruised.

The J. W. Shields family here had received no direct word from the family up to early this afternoon and are anxiously awaiting the outcome of the baby's injuries.

HINDENBURG IS UNEASY ABOUT GREAT LOSS OF TROOPS

Victories of Americans Disquieting to German Headquarters Staff

BY J. W. T. MASON (United Press War Expert) NEW YORK, June 13.—Von Hindenburg is showing serious uneasiness at the terrible death toll which is being exacted by the French along the Compienne front.

There is a noticeable weakening of the German attack which can be accounted for only by the grave danger that is threatening Germany through Hindenburg's mad slaughter of his reserves. Compienne is still for sale at its adequate price in German blood, but Hindenburg is pausing earlier in the quest than he has done during any of his three previous offensives this spring.

There is being exerted at German headquarters a new influence. This influence is the fighting quality of the American troops. Hindenburg must now realize that for every unit of his reserves slaughtered in battle or immobilized by being put to protecting extended fronts at least two units of American fighting material is being added to General Foch's strength.

The capture of Belleau wood by the Americans yesterday cannot be regarded as an isolated affair. Although the scene of the engagement is nearly forty miles away from the battle for Compienne, its influence on Germany's future strategy is bound to be very deeply felt. With new units who can fight like the victors at Belleau wood arriving in France by the hundreds of thousands, von Hindenburg's policy of slaying German manpower is a gambler's futile offensive that must come quickly to an end.

The most disquieting circumstances for Hindenburg of the American forces in France is the very sparing use General Foch makes of his overseas forces.

—W. S. S.—

WILSON ENDORSES WOMAN SUFFRAGE

WASHINGTON, June 13.—President Wilson today endorsed the National Woman's Suffrage Amendment and expressed the hope it will be passed by the Senate at this session.

Suffragists believe this makes the amendment an administration measure and they predict its passage.

Wilson's endorsement is contained in a message to Mrs. Carrie Chapman Catt and is intended for transmission to the French Union for Woman Suffrage.

"I agree without reservation that the full and sincere democratic reconstruction of the world for which we are striving will not be completely attained until women are admitted to the suffrage, and only by that action can the nations of the world loose for the future generations the full idea of human force," says the message.

"The services of women during the war have been of the utmost usefulness. The war could not have been fought without them nor its sacrifices endured. It is high time that some part of a debt of gratitude to them should be acknowledged and paid, and the only acknowledgment they ask is their admission to the suffrage. Can we justly refuse it?"

—W. S. S.—

MIDVALE STEEL PLANT WILL BE ENLARGED FOR ORDNANCE PRODUCTION

WASHINGTON, June 13.—The Midvale Steel company will make an extension on its plant near Philadelphia under its agreement with the government to provide greatly increased facilities for ordnance production. While the war department will make no announcement at this time it was learned today that this is the plan, instead of selecting a new site as was done the case of the United States Steel company's ordnance plant at Neville Island, near Pittsburgh.

The scope of the Midvale extension is not disclosed but it is thought the plan will be for an additional plant and will run into hundreds of thousands of dollars and greatly improve the ordnance output.

GERMAN BLOW BROKEN UP BY AMERICANS AND FRENCH, MARNE FRONT

Most Violent Fighting Going on Between Aisne and Villers-Cotterets Forest; British Make Successful Daylight Raid; Allies Retire From Sharp Noyon Salient, Occupy Montecourt; Berlin Claims 13,000 More Prisoners; Italians Repulse Austrian Raids; Human Boche Found—Saves Life of American Captor.

PARIS, June 13.—French forces, delivering their first counter attack on the wing of the new Oise front last night, hurled the Germans back across the Matz river.

"There was no German attack on the western flank and in the center. On the Marne front a violent German attack against Boursches and Belleau wood was broken up by American and French troops, who held their newly won positions and inflicted the heaviest losses on the enemy.

"The most violent fighting is going on between the Aisne and the Villers-Cotterets forest, where the French gained slightly, fighting in Couvres and St. Pierre-Aigle.

"Between Montdidier and the Antheuil region there was no new German attack," the communique said. "Yesterday evening and last night the French consolidated their positions.

"On the right French counter attacks hurled the Germans back east of the Matz, the French occupying the heights of Croix-Ricard and Melicocq. A hundred prisoners and a number of machine guns were taken.

"The most violent fighting is going on between the Aisne and Villers-Cotterets forest, where the Germans progressed to the hollow east of La Versine and succeeded, in the heaviest fighting, in obtaining a foothold in Couvres and St. Pierre-Aigle.

"On the Boursches-Belleau wood front a German attack was broken up by French and American forces, who held all their new gains and inflicted the heaviest losses."

WITH THE AMERICANS ON THE MARNE, June 13.—The Americans holding the three-mile front between Boursches and Torcy, repulsed two German attacks in their twelfth day and night of fighting. They took fifty prisoners and captured a number of machine guns.

COMPARATIVE LULL ON U. S. MONTDIDIER SECTOR

BY FRED S. FERGUSON (United Press Staff Correspondent) WITH THE AMERICANS WEST OF MONTDIDIER, June 13.—A comparative lull has settled over this sector again and only normal fire is being maintained by the opposing artillery. Americans are actively patrolling between the lines and are constantly alert.

Prisoners report heavy losses among German reserve units as a result of our recent heavy bombardments. No change has been made in the enemy divisions opposite our lines lately, according to prisoners.

A rare case of a boche being human was revealed last night. One who was taken prisoner saved the life of his American captor.

A lieutenant leading a patrol captured a German and started back to the American lines. The officer was seriously wounded by the explosion of a shell. The boche dressed the American's wounds with his own emergency kit, working in the dim light of No Man's Land in the midst of shell fire.

The lieutenant then directed the boche to an American post. The German ran to the post and informed officers there of the lieutenant's predicament. The latter will recover.

DESTROY 29 ENEMY PLANES SINCE MONDAY, OISE FRONT

LONDON, June 13.—British airmen, assisting the French on the western portion of the new Oise front, have destroyed 29 enemy airplanes since the drive started last Sunday. It was officially announced by the war office today. In the same period they have dropped twenty-one tons of bombs.

Operating on the Picardy front, British airmen shot down two enemy machines, drove two others down out of control and dropped eighteen tons of bombs, badly damaging the railway at Cambrai and the billets at Framcourt. One British machine is missing.

POPE WILL CONTINUE TO HASTEN WAR'S END

ROME, June 13.—The pope, writing to the bishops of Lombard deplored the misinterpretations which have been placed on his attitude regarding the war, it was learned today. He declared he would continue to spare no efforts to end the war.

ONE ENEMY MORTAR TAKEN; TWO OTHERS DESTROYED

LONDON, June 13.—"Southeast of Arras we made a successful daylight raid, inflicting heavy casualties," Field Marshal Haig reported today. "An enemy trench mortar was brought back and two others were destroyed."

BRITISH ADVANCE LINE SLIGHTLY, TAKE PRISONERS

LONDON, June 13.—Several operations in Flanders and a British raid near Arras were reported by Field Marshal Haig today. "Local operations were conducted successfully last night south of Meris and east of Dikbebusch lake," the statement said. "In the former sector we advanced our line a little and took a number of prisoners. In the latter sector the French improved their positions in the neighborhood of the ridge wood and took thirty prisoners."

LONG FIGHT RAGES TODAY; HUNS CLAIM 13,000 PRISONERS LONDON, June 13.—The battle was raging today over the 50-mile front from Montdidier to the Villers-Cotterets forest, comprising all the new Oise line and the northwestern portion of the Marne front.

South of the Villers-Cotterets forest there was intermittent fighting clear to the environs of Chateau-Thierry, adding a 25-mile fighting area to the main battle zone.

On the Oise front the French continued to progress slightly on the west and hold the Germans in the center, while the enemy made further progress on the east, it was indicated by last night's official statements.

The French war office reported further progress in the region of Belleau wood and St. Maur, with the capture of 400 additional prisoners and a quantity of material. There was no change on the front from St. Maur to Antheuil.

Official admission of retirement from the sharp Noyon salient was made in the Paris communique. The French line was voluntarily withdrawn on Wednesday to the line of Baillieu and Tracy-le-Val, joining the Marne battle front west of Nampcel. This represents retirement to a maximum depth of about four miles.

North of the Marne Allied troops occupied Montecourt, two miles southward of Chateau-Thierry, and the southern portion of Buziers, seven miles northwest of Chateau-Thierry.

(It is in this region that the marines and Ninth and Twenty-third United States Infantry are fighting.)

The German war office described French evacuation of the Noyon salient as having been "forced" by loss of the heights southwest of Noyon. Thirteen thousand additional prisoners were claimed.

Referring to the fighting north of the Marne, Berlin said: "Obviously and regardless of sacrifices, the enemy kept up his vain attacks northwest of Chateau-Thierry. Several assaults here broke down with sanguinary losses."

Field Marshal Haig reported a successful raid near Loche, on the Flanders front, by French troops last night.

The Italian war office reported a successful patrol operation and the repulse of Austrian raids.

JUNIOR COLLEGE FULLERTON IS IN LEAD IN PURCHASES

Investments In War Savings Stamps Averages \$28.90 For Each Pupil

The drive in the schools here Tuesday for pledges for the purchase of War Savings Stamps produced good results, according to indications. The cards have not all yet been totaled so the full amount is not known yet and it will probably be a day or two yet before all can be assembled and the definite total announced. The Fullerton Junior College has made an excellent record and is believed to lead the county in point of purchase per capita. The college has sold \$104,395, being a per capita of \$28.90. The maturity value will be \$1257.50, or \$34.93 per capita.

F. L. Andrews, city chairman of the War Savings Stamp committee, be-

THIN PEOPLE SHOULD TAKE PHOSPHATE

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are usually due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by Rowley Drug Co. and most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphoric food elements, bitro-phosphate quickly produces a welcome transformation in the appearance; the increase in weight frequently being astonishing.

This increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness, and lack of energy which nearly always accompany excessive thinness, soon disappear, dull eyes become bright, and pale cheeks glow with the bloom of perfect health.

CAUTION:—Although bitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, it should not, owing to its remarkable flesh-growing properties, be used by anyone who does not desire to put on flesh.—Adv.

believes that Santa Ana will go over the top in the drive which starts here next Tuesday. Andrews is enthusiastic over the stamps as an investment, and particularly over the feature which makes it possible for their purchase in \$5 amounts by the week or month, giving the working man an opportunity to assist the Government by saving something out of his earnings.

"The way for an individual, for a business, for a nation to prosper is to work and save," declared Andrews this morning. "If saving is necessary in normal times, how much more necessary is it in a time like the present, when the financial demands on individuals, business and the nation are far beyond anything ever experienced!"

"Saving is as imperative for the winning of this war as is the mobilizing of armies; more than that, the mobilizing of armies is entirely futile if this military step is not accompanied by the rigorous, common-sense saving of the nation, for without saving the mobilized hosts cannot be equipped, cannot be fed, cannot be carried overseas and cannot be put into the fight. Luxuries must be put aside, necessities must be continued. It would be a grave disaster if the home-staying population by foolish sacrifice were not kept fit for its all-important task of supporting our armies in the field.

"No matter how strenuously we speed up our production of materials, it is plain that there is a limit beyond which we cannot go. A large part of our production, now estimated at from one-fourth to one-third of our total industrial productive capacity, must be given to the Government for the prosecution of the war.

"As our army grows in numbers and as our machinery for producing war goods keeps pace with the army's growth, the more we must reduce our domestic consumption. The problem is self-explanatory; labor becomes more scarce, the need for war material becomes more keen.

"As we at home, economize in consumption of things for private needs we shall have a larger store of current savings that we can lend to the Government. The simple way to lend to the Government is to buy War Savings Stamps. Every citizen must take stock of his earning power and decide what proportion of it he can turn over to the Government for the period of the war and then regularly invest his savings in Government securities. If he earnestly wishes for victory, he will do this most cheerfully. He will not begrudge the loss of luxuries formerly consumed. He will realize that after all, he is making no sacrifice. He is merely denying himself unnecessary things.

"The war will be won by saving and serving. Let all serve and save, for he serves who only saves and buys War Savings Stamps."

—W. S. S.—

A TEXAS WONDER

—The Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame backs, rheumatism and irregularities of the kidneys and bladder in both men and women. Regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment, and seldom fails to perfect a cure. Send for testimonials from this and other states. Dr. E. W. Hall, 2296 Olive street, St. Louis, Mo. Sold by druggists.—Adv.

\$6,000 'GIFT' IS RECEIVED BY S. A. WALNUT GROWERS

Unexpected Remittance Represents Saving In Selling Expense Past Year

Santa Claus comes in June this year to walnut growers of the Santa Ana Valley, and his present is over \$6000 in cash.

Secretary O. H. Burke of the Santa Ana Walnut Growers' Association, has just received an unexpected remittance from the California Walnut Growers' Association of Los Angeles amounting to \$6040.00, representing the local growers' share of a \$37,000 extra dividend on the 1917 walnut crop. This further payment totals exactly 1 per cent of the value of last season's shipments from this section and was obtained from the saving in the selling expenses of the Central Association last year.

In making this final distribution, the California Walnut Growers' Association has beaten its former excellent record in low selling cost. For the past several seasons the Central Association has made a charge of 3 1/2 per cent for marketing the output of the local walnut growers' association, but surprising as it may seem in these days

of constantly increasing costs of doing business, the selling charge assessed against the walnut growers this season has been reduced to 2 1/2 per cent, which is claimed to be the lowest selling charge made by any growers' co-operative association in America, and is surely conclusive evidence that the producers of California, through their co-operative associations, are greatly reducing the generally wide variance between prices received by the producer and paid by the consumer.

The walnut growers of this district are all jubilant over the prospect of receiving from Secretary Burke their slice of the melon which they expect will be about large enough to pay their government income taxes due on the 15th of this month, and all agree that this last disbursement will bring up their total returns for last season considerably above amounts received by their less fortunate neighbors who did not market their crops through the association.

On June 8 the Central Association also distributed by check a \$75,000 surplus accumulated in its cull walnut account through reduced operating costs and premiums over opening prices received on some sales. Santa Ana's share of this fund is \$7095.39.

As final payments based on season's opening prices on culls were made some time ago it goes without saying that distribution of this very substantial surplus which brings the average paid by the Association on all culls received to 12 1/2 cents per pound is very pleasing to the grower who, before the association established cracking plants and created a market for California walnut meats considered himself lucky to receive three or four cents per pound for his culls.

The new dividend checks cannot be mailed to local growers until final incorporation of the old S. A. Valley Association, which will likely be about July 1.

United States Tires are Good Tires

War Has Multiplied the Value of Good Tires

Never were cars so necessary—both in business and domestic life.

Never was their continuous and economical use so imperative.

Never was freedom from tire trouble and tire expense so absolutely essential.

The rapidly growing demand for United States Tires prove their war-time worth.

Thousands of motorists each week are turning to United States Tires to

get dependability and economy.

United States Tires last longest and carry you farthest at least cost.

They enable you to make the most of your car—passenger or commercial—now, when it is more than ever a vital war-time necessity.

There is a United States Tire for every possible need.

Our nearest Sales and Service Depot will tell you which ones you should have.

We know United States Tires are good tires. That's why we sell them.

Orange County Tire Co.

EIGHT MEN ARE TO LEAVE FOR SPRUCE WOODS

Orders Received Under First Call For Limited Service Men

Eight men from Orange county, all limited service men, have been accepted for the special call issued for 7000 men to go to the spruce woods near Vancouver barracks. Five of these men are from No. 1 district and three are from No. 2 district.

These men were not qualified physically for full military service. Eight men in No. 1 district volunteered under the call. Four auto mechanics are to leave Sunday and one railroad brakeman leaves Monday. Two auto drivers and two clerks who volunteered were not called, but may yet receive orders.

The four auto mechanics are George E. Holditch, 107 East Third; John Cannon, employed at the Overland garage, Santa Ana; Stanley H. Tummond, 419 West Walnut, employed at the Orange County Ignition Works; Edward A. Wilson, Orange, employed at Winterrowd garage, Orange. The railroad brakeman is Elmer Glen Chandler, 718 Lacy street.

NO BRIDGE CARPENTERS FOUND IN THE LIST

FULLERTON, June 13.—The local exemption board was asked if it had any wood and bridge carpenters in Class 1 qualified for limited military service and was obliged to answer that it had none.

John Scott, Jr., of La Habra has entered the navy for four years, the local board having received information from the Los Angeles recruiting office to that effect yesterday.

Walter L. Paulus of Anaheim, who had been selected to be entrained for Camp Kearny on the 24th, has been granted a deferment of six weeks, so that he can take care of his hay crop.

will continue its reign in Orange. The hot fervor of patriotism must find other outlets than blowing off heavy explosives and perhaps a few fingers or other valuable appendages to the human anatomy along with them.

So rule the city fathers who have announced their fireworks regulations for the Fourth of July season. Youthful America will be dead anxious to bomb the kaiser to a fare-you-well, but he must be denied the pleasure for his own safety. He might torpedo the wrong person.

The district bounded by Lemon street, Maple avenue, Grand street and Almond avenue will be closed to fireworks at all times. Fireworks will be permitted in the rest of the city only on July 4. Cannon crackers are prohibited at any time or place.

Court House News

ALLEGES ATTORNEY NOW DEAD FORGED A \$1500 MORTGAGE

Today M. V. Stewart brought suit for \$1862.50 against the American Surety Company of New York as damages resulting from what the court have decided was a forgery by Attorney F. C. Spencer, who died suddenly in his office at Anaheim two or three years ago.

Stewart alleges that the surety company was on Spencer's notary bond. Spencer is alleged to have used forgery in a mortgage in which his father, C. Spencer, and Lizzie M. Riddle, appeared to be the principals.

The document got through the First National Bank of Anaheim, and was received by Stewart in good faith. He did not know that the document was forged until after the question of forgery was brought up in a civil action a year ago. Tipton and Callor are attorneys for Stewart.

W. S. S. CALLED BY COURT, HE QUILTS HESITANCY AND RECOGNIZES WRITING

H. B. Stone received a hot shot from Judge Thomas yesterday afternoon when the question of the custody of three children of Mr. and Mrs. Stone was up for consideration by Judge Thomas. Stone was on the stand in a proceeding to determine whether or not he was a fit person to have charge of the children. Attorney Clyde Bishop, representing Mrs. Stone, showed Stone a letter and asked Stone if he had written it. "Is that your handwriting?" asked Bishop.

"I can't say," replied Stone. Further questions and further evasive answers were given.

"There is no use camouflaging," declared Judge Thomas. "You know whether or not you wrote that letter. If you wrote that letter and know it, and say you cannot say for sure, you are committing perjury. Answer that question yes or no. Did you write that letter?"

"I think so."

"That won't do. Say yes or no."

"Yes."

Under stipulation by Attorneys Head and Bishop, the three children are placed in the Detention Home, at Stone's expense, and either parent may visit them.

W. S. S. THROWN OUT OF COURT

Judge Thomas threw out of court the case of W. A. Fogg against A. Nelson of Buena Park. Fogg sued for \$225, alleging that Nelson had not rendered an accounting for some beams sent to his cleaner for sale. The case was thrown out because the amount involved was under \$300 and could not be heard in the superior court.

W. S. S. FIRE CRACKERS EARLY

L. F. Harvey of 806 Lacy street reported to the police that Fourth of July had begun early and fire crackers were being exploded near his home. An officer was sent out to stop the bombardment.

W. S. S. DIVORCE IS GIVEN

This morning an interlocutory decree of divorce was given Attorney E. T. Langley of Santa Ana against Octavia Langley.

W. S. S. PERMIT IS GRANTED

The railroad commission has granted the Santa Fe permission to build a spur track at Frances station and to cross Culver road at grade.

HIS OWN LETTERS UPSET DEFENSE IN ALFALFA HAY CASE

Letters written by E. H. Hahn put a quietus to the trial of an action in which Roy Ferrell and Martin Rouse, who farmed at Ethanac, near Perris, sued E. H. and S. L. Hahn for \$2500 damages. The letters were produced as evidence against Hahn, and Judge Thomas gave judgment to Ferrell and Rouse.

The plaintiffs alleged that they took a lease on a ranch at Ethanac, and under the terms Hahn Brothers were to furnish water for alfalfa. It was alleged they failed to do so, and the alfalfa was damaged \$1000. Hahn's hogs ran on the field and did \$1500 damages.

Hahn in his defense alleged that the plaintiffs had failed to cure the barley before baling, that irrigation had not been attended to and the plaintiffs' turkeys and hogs had eaten green alfalfa, for which Hahn asked \$4000 judgment. The question of baling hay when it was "wet" was involved. A letter was produced in which Hahn instructed Ferrell to bale it wet and ship it at once to a Santa Ana dealer.

W. S. S. ASK GUARDIANSHIP, SUE FOR DEATH OF MOTHER

Oscar Ronning has asked that he be made guardian of his niece, Illah Waidler, whose mother was killed near Santa Monica recently when an automobile in which she was riding was struck by a street car.

Action for damages for the mother's death will be brought. Under an order of court given several months ago, the child was in the custody of Mr. and Mrs. Ronning.

This afternoon another petition for the guardianship of the girl was filed. The petitioner is Earl G. Waidler, father. He and Mrs. Waidler separated several months ago.

W. S. S. CHARGES POKER GAME

Under Sheriff Iman arrested Genaro Savala, Solomon Valverde, Jose Martinez and Victor Feliz at Dyer on a charge of gambling. They pleaded not guilty. Trial is June 17.

W. S. S. OVER A DODGE AUTO

In a three-cornered contest over a Dodge automobile, judgment was given J. H. Shippee, Frank Figueroa and M. V. Chesbro were the other contenders.

W. S. S. DANGERS OF COSTIVENESS

Auto-intoxication, headache, lassitude, irritability, "blues," sallowness, blotches, are among the results of constipation. If long neglected it may cause piles, ulceration of bowels, appendicitis, nervous prostration, paralysis. Don't delay treatment. Best remedy is Foley Cathartic Tablets, as many thousands know from experience. They not only do their work surely, easily, gently, but without injury to stomach or intestinal lining. FLAG DAY

Women's Relief Corps Will Hold Patriotic Services Friday Afternoon

The regular tea of Sedgwick Women's Relief Corps will be held tomorrow afternoon at 2 o'clock at G. A. R. hall, when the new service flag of the Post and Corps will be dedicated with appropriate services. The following program will be given:

"America"—By Ladies' Patriotic Band.
Roll call of names on the flag.
Dedication of Flag—Mrs. H. Clay Kellogg.
Selections—Ladies' Patriotic Band.
Vocal Solo—Mrs. Leipsic.
Piano Duet—Mmes. Grace Moesser and Paul.

Address—"A Good Soldier," by Rev. V. L. H. Benton, rector of the church of the Messiah.
"God Save Our Noble Men"—Singing by audience.

"God save our noble men,
Bring them safe home again,
God save our men.

Make them victorious
Patient and chivalrous,
They are so dear to us,
God save our men."

In addition to the above program, choice refreshments will be served at 3:30 p. m. under the superintendency of Mrs. Emma Leiser and a corps of able assistants.

In conformity with the spirit of flag day it will be a decidedly patriotic occasion and all who attend will feel amply repaid for their time by the increased patriotism generated in their hearts and souls in the brief afternoon spent with the boys and girls of 1861 and their children and grandchildren.

—O—

To S. A. H. S. Alumni
Miss Hazel Bemus, secretary of the S. A. H. S. Alumni Association, issues the following:

"If you have not yet received an invitation to the alumni banquet Tuesday, June 18, it is either an oversight in mailing or because we were unable to locate you. Will you please call 907-R if you wish a place reserved for you. Remember, husbands and wives are included in this year's invitation, so bring yours.

"We have a good line of toasts with Mrs. Velda Medlock Gustlin as toastmistress, so expect a good time. Everything patriotic as befits the time.

"See. Alumni Association."

SPRUANCE-WHIPPLE

Daughter of Prominent Santa Ana Family Is Bride of Naval Officer

The home of Mr. and Mrs. William E. Otis on North Main street was the setting last night for the loveliest possible June wedding, when their daughter, Miss Elsie Whipple, became the bride of Dr. Horace Evans Spruance, U. S. N.

Green asparagus plumosus, dotted with pink and white sweet peas, formed an artistic bower in which the bridal party stood. At either side stood a huge jardiniere filled with exquisite pink gladioli, and baskets of the same beautiful flowers graced the mantelpiece and were placed on pedestals in the long living room where the ceremony took place. As Lohengrin's wedding march was played by Miss Gladys Gorton, the bride slowly walked into the room. Little Charlotte Vance, the daintiest of flower maidens, clad in rose-pink, scattered rose petals upon the way, and six charming bridesmaids, gowned in delicate rainbow tints of lavender, pink, and green, wearing quaint head-dresses of airy tulle, and carrying shower bouquets, followed. The maid of honor was Miss Lois Tedford, charmingly gowned in rose color.

The bride was radiantly lovely in bridal satin veiled with tulle, her misty veil trimmed with rare point lace and worn with a wreath of orange blossoms. Her shower bouquet was orchids and lilies of the valley. She entered with her mother, Mrs. Otis, who wore an exquisite gown of gray taffeta and tulle with silver embroidery.

At the altar the bridal party was met by Dr. Spruance, in his blue naval uniform, and Ensign Peterson, the groomsmen. The marriage license was read by Rev. James Eaton of Los Angeles, a cousin of Mr. Otis.

The wedding supper was served in the dining room. A wealth of pink and lavender Canterbury bells and pink and lavender sweet peas added beauty to the room, and a large white bride's cake, wreathed in sweet peas and maidenhair, was cut by the bride.

Although very simple in all its appointments, the wedding was an especially beautiful one, and a smartly military air was given by the uniforms of the groom, his attendant, Ensign Peterson, and by Ensigns Ames, Warren, and Shea, all of whom are flying instructors in the naval flying school at North Island.

The lovely bridesmaids were Miss Mabel Woodruff of San Diego, Misses Judith Garrison and Wortha Merritt of Claremont, and Misses Marjorie Ellis, Norma Wingood, and Marvel Hammond of Santa Ana.

The winsome bride was very attractive in her gown of taupe silk, with a rose colored turban as she and Dr. Spruance motored away for a brief honeymoon. Dr. and Mrs. Spruance will be for a while in San Diego, where Dr. Spruance is assistant surgeon in the United States Navy, with the rank of First Lieutenant. He and his bride expect soon to leave for New York, where they will remain until Dr. Spruance is ordered overseas.

Although Mrs. Spruance has lived here for a comparatively short time, she has hosts of warm friends who are hoping that every happiness may attend her and her husband.

—O—

Tustin Red Cross Meeting
The monthly business meeting of the Tustin branch of the Red Cross will be held Friday, June 14, at 3 p. m. at the Tustin school house. All Red Cross members residing in the Tustin district are urged to be present to hear the reports of committees and to vote on any business that may come before the meeting. Pledges and subscriptions may be paid at this meeting.

PATRIOTIC MEETING

Spanish Speakers and Program by Mexican Children Sunday In Birch Park

Patriotic exercises of special interest are to be held in Birch Park Sunday afternoon at 3 o'clock.

Every English-speaking citizen of America has continually before him in these trying days that which keeps his interest in the great war and his patriotism alive at white heat; but few stop to think how little the foreign-speaking neighbors have to arouse their patriotism and how meager and inaccurate is their knowledge of this great war. Realizing this the Americanization Committee of the Daughters of the American Revolution with the co-operation of certain city schools and others interested in this work have prepared this program.

The exercises will be opened by a short band concert furnished by members of the Elks' Band, who have most kindly given their services.

Prof. Hammond of the high school will introduce the speakers. Mrs. Frank Gibson, State Chairman of Housing and Immigration, sends the speaker of the afternoon, Mr. Frank Palomares, who will deliver the patriotic address in Spanish. Mexican children from both the Lincoln and Roosevelt schools will give pretty exercises.

Mrs. Rodriguez will speak briefly. Members and officers of the County Council of Defense will occupy places on the platform.

A service flag will be given to any Mexican family having a relative in the war who is without a flag. Also an American flag will be given to each family desiring one. Among other ways of advertising this project, films, written in Spanish, have been shown at the different moving picture houses during the week.

—O—

Intermediate P.T. A.

The Parent-Teacher Association of Intermediate school held its last meeting in the assembly room of their school. The ladies having come prepared, busied themselves cutting sun-wipes during a very interesting business session and program.

The report of the nominating committee was read and accepted, the following officers being unanimously elected for the coming year:

President, Mrs. J. Wm. Sackman; first vice-president, Mrs. W. A. Patterson; second vice-president, Mrs. H. J. Forgy; recording secretary, Miss Fannie Pease; corresponding secretary, Mrs. Van Doran; treasurer, Mrs. Roy Dresser.

The report of the treasurer was listened to with considerable pleasure and the association immediately voted to give the Junior Red Cross of their school the sum of \$50. This association has also voted the sum of \$12 to the summer play ground fund. Mrs. Oederlin Rodriguez gave a most interesting report of the recent convention of State Congress of Mothers, held in Bakersfield. Her report was given in a very pleasing manner and was certainly a treat to the many who had not the privilege of attending this state convention.

The girls' glee club of the school next gave a pleasing number and responded to a hearty encore with "Le Marseillaise."

During a short wait for the next number of the program, the president, Mrs. C. H. Baird, took the opportunity to present to Miss Hazel Bemus a beautiful bouquet of pink and white carnations, and in a few words expressed her appreciation of the association for the untiring cooperation, as a teacher, and the unselfish, faithful, earnest work as chairman of Junior Red Cross auxiliaries. The bouquet contained 101 carnations—a blossom for each member of the Intermediate P.T. A. But the honors of the day were destined to be divided, and in turn, Miss Bemus handed to Mrs. Baird, the retiring president, a huge bouquet of assorted sweet peas, behind which Mrs. Baird modestly smiled her surprise. Miss Bemus expressed for the association and the faculty the sincere appreciation of the very faithful and efficient work and co-operation of the past year.

Mrs. Baird responded and thanked the teachers, parents, officers and all co-workers who had helped her during her term, and asked the same ongoing board of executives.

Mrs. J. N. Anderson being present, brought greetings to the association and left many helpful suggestions in her usual sweet manner.

The work of the Junior Red Cross of this school will continue through the summer under the very capable leadership of Mrs. Baird.

chairmanship of Mrs. H. J. Roberts, 727 South Birch street; phone 1188-R. Anyone interested may communicate directly with Mrs. Roberts or appear on Tuesday afternoons, ready for work, at the art room of the north building of the Intermediate school. Much new material is now on hand to be made up for A. R. C. orders.

A delightful little playette put on by the girls of the commercial section of the school closed a very pleasant and successful meeting, which in turn was the last of a very profitable year for the association.

—O—

Helping Hand Society

Fifty garments were completed yesterday morning by the Helping Hand society of the First Baptist church at the annual all-day meeting of the organization held in the Red Cross work rooms on North Main street, the entire morning being devoted to Red Cross and relief work. Devotional at the afternoon business session, with the president, Mrs. Bell, presiding, were led by Mrs. Maryatt. There were good reports from committee chairmen and the secretary reported upon the year's work of the society, showing 30 yards of carpet made for the church dining room, steam table and gas range installed in the kitchen, \$36 sent to the Pocket Testament League, and 24 boxes of oranges sent to the soldiers. Mrs. Bell thanked the ladies for their hearty support during the past few years.

The election of officers resulted in the selection of the following: President, Mrs. J. Wiley Harris; first vice-president, Mrs. Earl Morris; secretary, Mrs. Meyer; assistant secretary, Mrs. A. M. Robinson; treasurer, Mrs. John Harrison. The meeting was closed with prayer by Mrs. Austin.

—O—

Pleasant Outing at Park

The members of St. Joseph's Altar Society, numbering about fifty, held their regular meeting in Orange County Park yesterday and at the same time pleasantly celebrated the birthdays of two of their members, Mrs. Joseph Young and Mrs. Horace Fine.

The two honored ladies were presented with beautiful flower baskets and these filled with rich-hued sweet peas adorned the long tables, where all sorts of good things to eat were served at noon, including delicious ice cream and cake, which were the "treat" of Mrs. Young and Mrs. Fine.

The afternoon was spent with social chat and sewing carpet rags.

—O—

Presbyterian Missionary Meeting

The Missionary Society of the First Presbyterian church held its annual mite box offering at the home of Mrs. P. R. Reynolds, yesterday afternoon. The ladies were especially favored in having for speakers four missionaries, one for the home work and three from foreign fields. Miss Mendoza greatly interested her hearers in telling of her work among the Mexican women and children in our new country. She had samples of work done by the children, very neatly made, some of which were fashioned by little ones but four or five years of age.

Mrs. Thacker spoke of her personal experiences in Argentina; Miss Davidson spoke briefly of her work in Japan, and Miss Edna Alger of the work in the religious schools of China.

The devotionals were in charge of Mrs. A. R. Rowley, who brought very helpful messages for the "victorious life" as explained from the words, "I am," "Thou art" and "He is."

A beautiful duet was given by Mrs. Charles Harper and Mrs. John Sauer, and Mrs. Harper closed the program with a solo.

As this society believes in answering all calls of the government, one of which is Hooverizing, no refreshments were served.

—O—

Luncheon for Bride

Miss Elsie Whipple, whose marriage to Dr. Horace E. Spruance, U. S. N., occurred last evening, was honored at a luncheon given by Miss Marjorie Ellis at her home on South Birch street Tuesday. The other guests participating in the happy affair were Miss Judith Garrison of Claremont and Misses Lois Tedford, Norma Wingood, Marvel Hammond and Marjorie Ellis, all of whom were in Miss Whipple's bridal party. The table was centered with a floral arch formed of smilax and Cecil Brunner roses. Streamers of pink tulle leading from the honoree's place at the table to the arch formed an aisle for a miniature bridal procession. The place cards were also suggestive of the occasion.

—O—

Past Presidents' Picnic

A most delightful affair in fraternal circles took place at Orange County Park Tuesday evening, when the ladies of the Past Presidents' Club of the S. A. U. accepted the invitation of the gentlemen to be their guests at a 6 o'clock dinner. From past experience the ladies knew that a royal good time was in store. The tooting of auto horns reminded the guests that the dinner hour was approaching, and all worries of all times were put aside. Serious faces were wreathed in smiles as about thirty hungry people dined around the festive board, where delicious barbecued meat, served with baked potatoes, hot coffee and fruit salad was served. After dinner, J. Wiley Harris acted as toastmaster, and the following members responded: S. C. Drumm, R. P. Mitchell, W. J. Gould, A. C. Williams, R. J. Brown, Stearns; Mmes. B. Uttley, Dora Spangler, Esther Walbridge and Mrs. Lee Warren. The program closed with a delightful reading by Miss Norma Wingood.

—O—

The Rainbow Circle Dinner
The Rainbow Circle of the First Christian Church last night held its monthly dinner. The party last night was a pretty courtesy to three members of the circle who graduate this

month from the Santa Ana high school, the honorees being Misses Fern Schlink, Millicent Long and Gladys Peal.

Red sweet peas and ferns decorated the table, where eighteen girls enjoyed the merriest possible time. A beautiful bouquet of sweet peas and fern was presented to each of the honored guests.

—O—

First Methodist Picnic

On Saturday at Orange County Park at 9:30 o'clock in the morning, the Methodist churches and Sunday schools of Orange County will gather for their annual outing and picnic. Athletics, games and music are enjoyable features of the program, with a dinner at noon and an address at 1 o'clock by S. W. Odell of Los Angeles. Mr. Odell is an attorney of Los Angeles and his address, "The Christian American," was given here at the First Methodist church and is repeated by request.

Rev. H. W. Peck is chairman for the day, and Rev. John Hall the secretary.

—O—

Home From Wedding Trip

Mr. and Mrs. Tarver Montgomery have returned from their wedding journey and are at home to their friends at 219 1/2 Spurgeon street.

—O—

Sixth Economics Picnic

The Sixth Economics Section of the Ebell held a very jolly meeting yesterday at the pleasant cottage of Mrs. Charles Heil, at Newport Beach. The ladies went down in automobiles and spent the morning in knitting for the Red Cross. Beautiful sweet peas were used in decorating the reception room. At noon a fine lunch was served cafeteria style. The ladies took their lunch with them. After lunch a short business session was held. At roll call the ladies were asked to respond with a fish or a fishing story. Many interesting stories were told. A very jolly mock parliamentary drill was held on motions and amendments as a review of the year's parliamentary work which has been conducted by Mrs. S. M. Davis. Mrs. Gowen presided during the review. A vote of thanks was given Mrs. Heil for her hospitality.

The following ladies were present: Mmes. W. D. Baker, C. W. Burns, S. M. Davis, A. M. Gardner, J. E. Gowen, Charles Heil; Miss Ada O'Brien, Miss Margaret Ore, Mmes. G. E. Preble, Frank Todd, Lea Warren, John Clark, W. L. Stewart, D. Holmes, H. W. Sammis, A. M. Backus.

NEWS IN BRIEF FORM

At the meeting of the Fullerton city trustees Tuesday evening an ordinance was read the first time amending the license ordinance, No. 198, increasing the daily license for traveling shows from \$10 to \$50. The new ordinance will be finally passed next Tuesday evening, unless something unforeseen happens. This will not affect animal shows.

Lieutenant Fred Kelly of Orange, well known athlete and now of the U. S. Aviation Corps, will not be sent abroad at once as was expected, when he was transferred from Texas to New York city. He has been sent to Taylor Field, Montgomery, Ala.

Hartman and Schmidt have rented the building at 110 East Fifth street and will start in business next Monday, of refinishing piano and furniture. They had 25 years of experience in some of the large factories in the East and the large piano stores in Los Angeles.

Robert Parker of the Nickey Hardware Company was in Los Angeles yesterday taking an examination for entrance in the commissary department but was two and a half pounds underweight. Today he went to Laguna Beach to put on the extra pounds.

Arthur McFadden of Irvine and Will Jenks of Garden Grove returned last night from a three days' trip to Big Bear valley. They took McFadden's canoe and got all the trout which the law allows two men to catch, disproving the report that there were no fish to be had there.

El Modena will have "Baby" day next Saturday from 1 to 5 p. m. at the school house, Mrs. C. H. Bianchi being chairman in charge of the work. The government has asked that all children under six years of age be taken to the headquarters and weighed and measured. Ribbons will be awarded the little ones in each class.

J. A. Benjamin, former resident here and prominent musician, has signed up for Y. M. C. A. war work and has made application for a passport to cross the ocean. He has brought his family back here to stay while he is absent, and they are located at 306 1/2 West First street. Mr. and Mrs. Benjamin have been living at Oakland.

Attorney Walter Eden of this city will give the tribute to the flag at the Elks celebration of flag day at Anaheim next Friday evening. District Attorney Thomas Lee Woolwine of Los Angeles will deliver the address. Patriotic music will be a feature of the program.

CHARGE DEROGATORY REMARKS ABOUT ARMY

A young German by the name of B. H. Dross was arrested on the Bas-tanchury ranch yesterday on a charge of making derogatory statements in regard to the United States army.

Dross, who was working for an electric company of this city doing some electrical work at the ranch, claims that other men made the statements to him and that he did not realize the seriousness of passing the remarks along.

He pleaded not guilty to a charge of disturbing the peace and his trial will come up before Judge Howard at Anaheim next Monday morning at 10 o'clock. He was let out on cash bail furnished by a brother, who leases some land on the Irvine ranch.

VICTIM OF ACCIDENT

BURIED HERE TUESDAY

The funeral of Arthur Johnson, son of Mr. and Mrs. W. P. Johnson of Olinda, who was killed in a tragic automobile accident at Santa Monica, was held from Smith and Tuthill's chapel on Tuesday afternoon. Rev. Mr. Lewis, pastor of the Olinda Methodist church, officiating.

The attendance was very large, including people from Fullerton, Olinda, Anaheim, Santa Ana, Los Angeles.

His grandfather, the late Judge John Johnson, was one of the first settlers in Santa Ana. Tustin and other points and the floral offerings were many and beautiful. One represented an oil derrick from the West Coast Oil lease, where the young man was employed.

The late Judge John Johnson was one of the first settlers in Santa Ana only a few families residing between Los Angeles and San Diego when he located here.

RED X ENTERTAINMENT

WESTMINSTER FRIDAY

WESTMINSTER, June 13.—People of this vicinity are reminded that the Queen Esthers of Wintersburg will give their entertainment at the Westminster school auditorium this Friday evening, June 14, for the benefit of the Red Cross. Half of the proceeds will go to the Westminster auxiliary and half to the Wintersburg branch. In addition, the Westminster ladies will serve ice cream and cake and will donate one-fourth of the proceeds of the sale to the Wintersburg organization. The program, which was given at Wintersburg recently, includes good musical numbers and readings.

RED CROSS NETS \$60

AT STANTON DANCE

STANTON, June 13.—The Red Cross benefit dance given by the Stanton branch of the Anaheim Red Cross in the city hall at Stanton, was a decided success in every way. There were about thirty-five couples present who enjoyed the dancing and splendor of the occasion. A small bottle of pure Lavoptik eye wash was given to each couple. Miss Margaret Junge, Miss Eileen Adams and Miss Antonia Friend, who donated their services free for the good of the cause, about \$60 was realized from the affair.

WHY WOMEN

DREAD OLD AGE

Don't worry about old age. Don't worry about being in other people's way when you are getting on in years. Keep your body in good condition and you can be as hale and hearty in your old days as you were when a kid and every one will be glad to see you.

The kidneys and bladder are the cause of so many ailments. Keep them clean and in proper working condition. Drive the poisonous wastes from the system and avoid uric acid accumulations. Take GOLD MEDAL Haarlem Oil Capsules periodically and you will find that the system will always be in perfect working order. Your spirits will be revived, your muscles made strong and your face have once more the look of youth and health.

Children Cry for Fletcher's CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

MAY FIND NEED TO RAISE RATE FOR JUICE

Position of Public Utilities Stated In Opinion By Commission

There is a possibility that the Southern California Edison Company may find it necessary to ask the State Railroad Commission for a raise of rates. The Register has received from W. L. Deimling an article concerning a decision by the State Railroad Commission in regard to public utilities in the state. Deimling is district agent of the Edison company.

"Although we hope to be able," writes Deimling, "to maintain the present standard, we believe the commission is very just in stating that it is a public duty to maintain all utilities in an efficient manner and, in order to do this it is necessary that we receive a rate which will enable us to adequately serve the public."

The article referred to reads as follows:

That public utility companies on the coast are affected by the world's war is evidenced by a recent decision of the State Railroad Commission, involving rates of the Pacific Gas & Electric Company, operating in San Francisco and in most of Northern California.

Responding to numerous inquiries regarding the ability of Southern California companies to continue their present rates for service under war conditions, Mr. W. A. Brackenridge, president of Southern California Edison Company, called attention to the increased price of oil from 60c to \$1.60 per barrel and quoted excerpts from this decision of the commission.

Added Expenses
The price of oil which is unregulated has advanced, the cost of practically all materials and labor used in the production of gas and electricity has increased, and there is no assurance that they will not be still further increased.

The decision of the Railroad Commission states, "The war has produced abnormal business conditions, which affect the business of producing gas, as it has affected all other business and where the utility service is under regulation and the price at which the service is sold to the public is dictated by authority, the companies are helpless unless public authority will extend prompt relief."

"Entirely aside from justice and fairness to the owners of the utilities, it is seriously to be considered that unless the public utilities are maintained in a reasonably sound financial condition, they will no longer be able to serve the public efficiently, as it is a demonstrated fact that a weak and staggering company is incapable of providing good service."

The commission affirms that it is sound public policy and in harmony with the declared policy of the federal administration, that business institutions be not allowed to go into bankruptcy, and that the President of the United States, the Secretary of the Treasury, and the Comptroller of the Currency have each spoken clearly and definitely on this subject. For these reasons the State Railroad Commission holds that it should, without hesitation, place utility rates on a basis so that these companies shall not fail in their service to the public and become a menace to the finance of the country.

W. S. S.

PERSONAL AND SOCIAL NEWS NOTES FROM ORANGE CITY

ORANGE, June 12.—All is nearly ready for the baby shows, which will be held in this locality next Saturday, June 15, in co-operation with the Government's request for the age, weight, height and nationality of all children under six years of age. It is desired that all of the babies be registered and parents are urged to do this as a duty.

Inasmuch as a great amount of work has been necessary in arranging for the show, Mrs. I. D. Mills, chairman for this vicinity, has asked that any woman who can assist at the weighing stations Saturday, communicate with her.

All of the districts except Olive will hold their shows Saturday afternoon from 1 to 5 o'clock. Olive's show will be Friday afternoon during the same hours.

Olive weighing stations will be at the Olive hall, with Mrs. E. W. Squires chairman.

El Modena weighing stations will be in charge of Mrs. C. H. Blanchard as chairman.

Villa Park weighing station will be in charge of Mrs. Hugh Thomson as chairman.

Senora Mercedes de Robles will be in charge of the Mexican weighing station at El Modena.

Grammar school teachers for next year were elected at the meeting of the school board.

The teachers elected are: C. E. Teach, supervising principal; Miss Brown, director of music.

Intermediate School—C. I. Thomas, principal, manual training; Mrs. L. H. Bradshaw, geography, agriculture; Miss Ruth Barnes, English, librarian; Mrs. Nettie J. Wolfe, arithmetic and art; Miss Lillian Pirie, grammar; Miss Boynton, sixth grade; Paul Schmitt, history, athletics; Miss Fern Clark, domestic science.

Lemon Street School—Miss Lydia Killefer, first grade and principal; Miss Susie Campbell, first grade; Miss McLaughlin, second grade; Miss Bertha Biggs, second grade; Miss Minnie Penman, third grade; Miss

An Unusual Opportunity for Farmers on CAPAY RANCHO

In California's Far Famed Sacramento Valley. Rich Land with Abundance of Pure Water \$175 an Acre. Electricity on every farm. Every 80 acres has an individual electrically operated pumping plant. You simply turn the switch and abundance of water, day or night, pours into your ditches. The cost of the pumping plant and the sinking of the well are included in the price of the land.

SOME OF THE RECENT BUYERS

J. F. Butler, formerly of Del Rey, Fresno County, has his son and cousin together own 168 acres.

"Have planted a good many trees in my day, never saw any, anywhere do better. The only kicker I ever heard told me the other day he had bought another 40 acres."

Per Hansen, formerly of Tarlock, has 90 acres.

"Low price of land induced me to buy here. I have as good a stand of alfalfa as you will find anywhere. Am pleased with my bargain."

J. K. Sheppard lived 27 years in San Diego County, has 23 acres. Daughter and son have 80 acres. "When I came here three months ago there was not a home on this road. Now there are ten families within a mile. Have already been offered \$15 an acre over what I paid, and my expenses. I don't want to sell. The water proposition is great."

E. W. Collins and H. A. Thomas, both of Whitefish, Mont., own 150 acres jointly. "We bought 70 acres in February and when we came back in May we were so impressed we bought 80 acres more. The country is wonderful. We are very enthusiastic—delighted with it. Climate was one of the important factors which influenced our decision."

Electricity on each farm was also important inducement. The land is fine. The water proposition can't be beat.

The Orange W. C. T. U. met at the home of Mrs. I. D. Mills, 230 South Orange street. Ten members were present. This was the annual Flower Mission meeting and a part of the time was given to arranging bouquets for invalids and shut-ins.

In the absence of the president, Mrs. Ora B. Benson, the vice president, Mrs. C. A. McGill presided.

An account of the origin of the Flower Mission was read by Mrs. Mills and at her suggestion Mrs. Stinson offered prayer, asking God's blessing upon those who should give and those who should receive the flowers.

On motion, adjourned in order to arrange the flowers and carry them to those for whom they were intended. Twenty or more bouquets were arranged and were carried by Mrs. McGill and Mrs. Widowsen, in the former's automobile, to the sick of the community and to the county hospital.

A. E. Ensign of the California Fig-nut Company, has returned from a six-weeks' business trip through the East and Middle West.

Mr. and Mrs. W. R. Williams, of Columbus, Ohio, are spending a few days here with Mr. Williams' sister, Mrs. E. M. Cradick.

Mrs. E. C. Horton has returned from San Bernardino, where she has been spending a month.

CREDIT

Is the Basis of Modern Business

Law determines a man's individual rights in the courts, but a man's standing in the community is judged by his character and credit.

One is founded on training, moral strength, honesty of purpose and integrity—the other is based upon experience, industry, capacity for making money and saving it and the faith others have in him. There is no greater character moulder, or credit builder than a bank account. It means moral and mental as well as physical freedom.

PHILADELPHIA MARKET

PHILADELPHIA, June 12.—Six cars sold. Market is strong on both oranges and lemons.

VALENCIA— Advance, ORX, \$6.35; La Habra, Noor, 7.05; Reliable, Noor, 6.70; Troy, ORX, 7.35; Atlas, ORX, 6.50; Hector, ORX, 7.40; Gold, Beaver, ORX, 6.45; Saddleback, ORX, 5.50.

LOCAL PRODUCE MARKET

Green lima bean, local growth are in the market, selling from 12 to 13 cents per pound, while peas are selling from 12 to 13 cents. Strawberry rhubarb, is in the list of quotations at \$1.30, while C. W. has dropped to \$1.15. Citrus fruits continue to sell at phenomenally high prices and apples are practically cleared up. Locally spring lettuce is looking fine and the new crop is apt to cause a lowering of prices before long. Hay prices have been fairly firm the past month and alfalfa has had very little change. Great variation continues in feed prices, due to the fact that quotations are still unable to give a list of quotations under the basis of cost plus a fair profit; however, millers and dealers state that the government regulations are working out very satisfactorily for all concerned.

DAILY MARKET REPORT

(Corrected daily from Los Angeles)

BUTTER—Creamery extras. Produce Exchange closing price, 27 1/2¢; price to retail merchants, 34 1/2¢; price to retail merchants in 1-lb. squares, 43 1/2¢; 44 1/2¢; price to retail merchants in 1-lb. cartons, 44 1/2¢ per lb.

CITRUS THIEVES HERE TO ENLIST STILL BUSY IN THIS REGION RECRUITS FOR OUR NAVY

In Spite of Growers' Care, They Are As Yet Able to Elude Capture
Youths, 18 and Upward, and New Draft Registrants Eligible to All Branches

Whoever is stealing oranges and lemons from the orchards of the growers in this part of the county is as yet able to keep out of the clutches of the law and while but one theft of boxes of fruit has been chronicled, that from the ranch of M. E. White at McPherson, the fruit is still being purloined in goodly amount from the trees, especially those close to the roads.

Owing to the many complaints from its growers, the Orange County Fruit Exchange offered a reward for the arrest and conviction of fruit thieves, but nothing tangible has resulted, although a close watch is being kept.

The Tustin Hills Citrus Association manager, F. W. Knight, says that the growers are complaining of the loss of fruit and now when fruit is bringing such high prices even a half box is quite a loss.

From the Golden West Citrus Company, also at Tustin, the report was that no boxes of fruit were missing but some had been taken from the trees.

The McPherson Heights Citrus Co. growers have lost no boxes, because all are careful not to leave any in the fields at night. The trees next to the road, however, are being stripped and there seems to be a system of thievery, especially of culls, which are in big demand, owing to their scarcity. They are bringing a big price, so to steal them is very enticing.

The David Hewes Realty Company is offering the same rewards of \$50 and \$10 for the arrest and conviction of thieves. The company has a clew to some people who have been seen taking oranges from the trees and if the act is repeated, Manager D. E. Eymann Huff says they "will be put over the road."

MANY WANT JOBS; EMPLOYERS FEW

Fred Rafferty, who was recently appointed labor examiner for the United States Employment Service, is doing a one-sided business at his headquarters at the Chamber of Commerce rooms at the city hall. He is signing up many applications of men, women and children for all kinds of work, but the employers to take advantage of their services are sadly missing. Rafferty has had but one call for help.

The labor examiner's office hours are from 9 to 11 a. m. every day. He has no definite instructions from the government, but has been told to formulate his own plans.

CASTORIA

For Infants and Children
In Use For Over 30 Years

Always bears the Signature of *Charles H. Fletcher*

A navy recruiting office was opened in Santa Ana today at the engineer's office in the city hall and will be kept open until Sunday, June 23. It is in charge of Yeoman L. V. Gibbs, formerly of the U. S. C. law school, and Machinist's Mate Chester Young, who were ordered here by Ensign Harris in charge of the Los Angeles station. Young expects to remain in the Orange county district permanently with headquarters at Santa Ana, but Gibbs will soon return to the main office.

"All branches of the service are open," said Yeoman Gibbs today, "and we can accept recruits both for the regulars and for the Naval Reserve, active service in which is only for the period of the war. We are especially after the young men 18 to 21, and will accept recruits up to 35 years old. Any draft man not in the current quota, which includes all the 21-year-olds recently registered, may enlist in the navy upon presentation of a certificate from the local board. Machinists' mates are especially wanted for ground work in the aviation section." That new registrants may enlist in the navy was the information telegraphed yesterday to the naval recruiting station at Los Angeles by the Bureau of Navigation, the telegram reading as follows:

"The Provost Marshal has informed this bureau that new registrants may enlist in the navy upon securing naval certificates from their local boards, inasmuch as new registrants have not been classified they are not within current quota until classification and there is no reason why such certificates should not be issued upon request."

INVITE EVERYBODY TO ELKS' FLAG PROGRAM FRIDAY EVENING

The Santa Ana Elks' lodge today extended an invitation to everybody to attend the annual Flag Day exercises, which will be held in Elks' hall tomorrow (Friday) evening, beginning at 8 o'clock. This year as never before the exercises take on new meaning and impressiveness, and there should be an unusually large attendance.

Patriotic music will be given by the eight-piece Elks' orchestra under the direction of C. C. Langley, introductory exercises by officers of the lodge will be led by Exalted Ruler W. C. Jerome, and prayer will be given by Chaplain W. L. H. Benton. The Elks' tribute to the flag will be given by Past Exalted Ruler H. C. Head and the flag record by George B. Shattuck. This will be a particular feature, and will be illustrated by eight young ladies, each representing one development of the American emblem, and four Boy Scouts, bearing the flags of our principal allies, Great Britain, France, Italy and Belgium. Those assisting are Christine Watson, Mary

Regular as Clockwork

Dear Sirs:

For a number of years I suffered from a most stubborn case of constipation. After having tried every laxative, etc., without results, I noticed your advertisement and decided to give Nujol a trial, which I did with the very best results possible. I am never bothered with constipation now and feel much better.

I can truthfully say that I have derived far more benefits from the use of Nujol than from all other treatments combined. I heartily recommend it to any sufferer from constipation.

Yours truly,

J. A. Smith.

Centenary, S. C.,

Dec. 22, 1916.

In bottles only, bearing Nujol trademark—never in bulk.

MR. SMITH is one of thousands who now insure regular bowel-habits—the healthiest habit in the world—simply by the use of Nujol. To endure constipation is to invite sickness. Use Nujol to restore bowel-vitality. Don't lay yourself open to diseases that start from inactive and unhealthy bowels.

Nujol relieves stubborn or occasional constipation in Nature's own way, gently and effectively. It causes no false stimulation; no griping; no harmful reaction. Nujol is positively pure and drug-free; a pleasant remedy to take; a safe remedy for all. Avoid the dangers of harmful pills and physics. Use Nujol and be "regular as clockwork."

ABSOLUTELY HARMLESS

There are no substitutes—there is only Nujol

At every drug store. Send 50c and we will ship new kit size to soldiers or sailors anywhere.

THANKS EXTENDED BY POST FOR MEMORIAL DAY OBSERVANCE

At a regular meeting of Sedgwick Post No. 17, Department of California and Nevada, G. A. R., the following resolutions were adopted by a rising vote:

That the thanks of the Post are extended to the people of Santa Ana who so unanimously responded to the observance of Memorial Day;

Especially to the Rev. A. F. Roadhouse for splendid Memorial Sunday exercises and sermon;

To the Rev. Harcourt W. Peck and the trustees of the First M. E. Church for their church on Memorial Day; to Attorney Scott for the Memorial Day Address; to the high school students for their assistance; to the church choir for music; and last, but not least, to the various schools, which so generously responded with flowers, without which we would have been unable to decorate our graves.

By order of the Post.

H. F. STONE, Adj.

SAYS IT ACTED LIKE A CHARM
Coughs, colds, sore throat or bronchial troubles which persist at this time of the year usually are of an obstinate character. That is all the more reason why a truly reliable remedy like Foley's Honey and Tar Compound should be used. Mrs. Margaret Smale, Bishop, Calif., writes: "Foley's Honey and Tar is a grand remedy; more than is claimed for it. I was suffering from a cold last week and used the medicine and it acted like a charm." Contains no opiates. Rowley Drug Co.—Adv.
